

LADS TO LEADERS REGISTRATION FEE

In previous years, the elders of the Scenic Hills Church of Christ graciously used church funds to pay the registration fee for all attendees of the Lads to Leaders National Convention. This fee amounts to \$35.00 per person. At this point in our program we face a difficult financial challenge as our participation in the program exceeds ninety people. Thus, in 2007, we implemented new policies regarding the payment of registrations fees by the congregation which are outlined below.

In order to have the registration fee of the \$35.00 paid for by the church you must meet one of the following qualifications:

- All participants (adult and student alike) attending the National Convention for the first time will be paid for.
- All adults will be paid for if they coach/coordinate a Lads to Leaders event or judge an event at the National Convention.
- All students under 3rd grade will be paid for.
- All students in 3rd-6th grade will be paid for if they participate in a minimum of two events, one of which must come from the following list.
