"212° Love"

1 John 4:7-11

On June 25, 1967 the first live global television broadcast took place with 26 countries and 400 million people watching. The highlight of this program was the Beatles performance of "All You Need is Love." Their message was simple yet profound - love can change the world. Since love is so powerful it is no wonder that Jesus said love will be the identifying characteristic of Christians (John 13:35) and that Paul said love is greater than all other things (1 Corinthians 13:13). The question for us today - Do we love like God loves?

1. 212° Love is _____
(Romans 5:8; Matthew 6:14-15)
2. 212° Love is _____
(John 15:13; Ephesians 5:22-33)
3. 212° Love is _____
(Romans 8:35-39; 1 Corinthians 13:4-8a)
