**G.R.O.W. in 2009****Godliness - Relationships - Outreach - Wisdom****"It Depends On Whose Hands It's In"**

A basketball in my hands is worth about \$20.00. A basketball in LeBron James' hands is worth \$60 million over 3 years. It depends on whose hands it's in.

A bat in my hands is worth about \$50.00. A bat in Albert Pujols' hands is worth \$100 million over 7 years. It depends on whose hands it's in.

A golf club in my hands is worth about \$100.00. A golf club in Tiger Wood's hands is worth \$115 million annually. It depends on whose hands it's in.

A movie script is useless in my hands. A movie script in Will Smith's hands is worth \$30 million in one weekend. It depends on whose hands it's in.

A book in my hands is worth about \$15.00. A book in J.K. Rowlings' hands is worth an average of \$130 million per book. It depends on whose hands it's in.

Two fish and five loaves in my hands is a couple of fish sandwiches. Two fish and five loaves in Jesus' hands will feed thousands. It depends on whose hands it's in.

Nails in my hands might produce a bird house. Nails in Christ Jesus' hands will produce salvation for the entire world. It depends on whose hands it's in.

As you see now, it depends on whose hands it's in. So put your concerns, worries, fears, hopes, dreams, families and relationships in God's Hands. Because, It depends on whose hands it's in.
